

PUBLIC NOTICE

PERMIT APPLICATION: NRS 07.332

APPLICANT: Craig Heinrich
715 Cumberland Hills Drive
Hendersonville, TN 37075
615-824-5438

LOCATION: The proposed alteration is located on the Old Hickory lake near Cumberland River RM 225 in Sumner County. (36.2812°N, -86.5777°W)

WATERSHED DESCRIPTION: The proposed alteration would impact Old Hickory lake. The lake is located in the Old hickory lake watershed (HUC # 05130201). The lake has been assessed as fully supporting its classified uses. Those classified uses include domestic water supply, industrial water supply, fish and aquatic life, recreation, livestock watering and wildlife, irrigation, and navigation. The location of alteration is located in an embayment off of Cumberland Hills Drive. The embayment currently ranges in depth from 12 to 20-inches

PROJECT DESCRIPTION: The applicant proposes to dredge approximately 1,200 cubic yards of lakebed material for private boat access. The dredging area would be 170-feet by 50-feet. The average dredge depth would be 3-feet resulting in a water depth of 4-feet. The dredged material would be hauled to an upland location and stabilized. Dredging would be performed by a trac-hoe. The disposal site would be located on the applicant's property.

More details on the proposal can be viewed on the Internet at
<http://www.state.tn.us/environment/wpc/ppo/arap>.

PERMIT COORDINATOR: Trent Thomas

No decision has been made whether to issue or deny this permit. The purpose of this notice is to inform interested parties of this permit application and to ask for comments and information necessary to determine possible impacts to water quality. Persons wishing to comment on the proposal are invited to submit written comments to the department. Written comments must be received within **thirty days of the date that this notice is posted**. Comments will become part of the record and will be considered in the final decision. The applicant's name and permit number should be referenced.

Interested persons may also request in writing that the department hold a public hearing on this application. The request must be filed within the comment period, indicate the interest of the person requesting it, the reasons that the hearing is warranted, and the water quality issues being raised. When there is sufficient public interest in water quality issues, the department will hold a public hearing.

The permit application, supporting documentation including detailed plans and maps, and related comments are available at the department's address for review and/or copying. The department's address is:

Tennessee Department of Environment & Conservation
Division of Water Pollution Control, Natural Resources Section
7th Floor L & C Annex
401 Church Street
Nashville, TN 37243

In deciding whether to issue or deny a permit, the department will consider all comments on record and the requirements of applicable federal and state laws.
